### **SILICA WARNING**

Supplier’s products contain respirable crystalline silica, which is considered by some sources to be a cause of cancer and can lead to death. Breathing excessive amounts of respirable silica dust can also cause a disabling and potentially fatal lung disease called silicosis, and has been linked by some sources with other diseases. During transportation, use, clean-up or handling, follow all NIOSH and MSHA procedures and recommended practices, including wearing properly-fitted, NIOSH-approved or MSHA-approved air supplied protective equipment in accordance with applicable government regulations and manufacturer instructions. For further information, refer to the appropriate Material Safety Data Sheet, a copy of which is available from the Supplier upon request. Customer hereby accepts all responsibility to maintain a safe work environment, warn, notify, train and provide all necessary and appropriate NIOSH/MSHA-approved protective equipment to all persons handling or in the presence of this product, and enforce the requirement that NIOSH/MSHA-approved protective equipment be used when handling the product. During clean-up, use HEPA vacuums or wet cleanup methods. Never dry sweep this product. For further information, refer to the appropriate Material Safety Data Sheet (“MSDS”). Failure to adhere to our warnings, MSDS, and handling instructions may lead to serious personal injury or death.
